Hi Sharon:

No, I haven't received any new information.

Eric

Hi Eric,

While reading PSNH comments recently, I came across the following (sent this past October as part of comments to the revised draft permit). Just wondering if you have already received this information and if not, you may expect to see something in the near future.

We thus think it is appropriate at the time that the information relevant to Sections 31 of the Clean Water Act agency in the next month or two are addressed. The information is key issues and extremely helpful in
